Property List Key

# AutoFill Credential Provider Entitlement

A Boolean value that indicates whether the app may, with user permission, provide user names and passwords for AutoFill in Safari and other apps.

iOS 12.0+ | iPadOS 12.0+ | macOS 11.0+ | visionOS 1.0+

---

## Details

### Key

`com.apple.developer.authentication-services.autofill-credential-provider`

### Type

Boolean

## Discussion

To add this entitlement to a target, enable the AutoFill Credential Provider capability in Xcode. Do this for both your Password AutoFill extension and its host app.
