## Mentioned in

 Creating SKUs for your In-App Purchases

## Example: subscription with a single item

### Request

```
{  
    "operation": "CREATE_SUBSCRIPTION",  
    "version": "1",  
    "requestInfo": {  
        "requestReferenceId": "74ad2401-488d-4e1a-9c9d-80cdf0efed67"  
    },  
    "currency": "USD",  
    "taxCode": "C003-00-1",  
    "descriptors": {  
        "displayName": "Anne's Game Stream",  
        "description": "Streaming Service for Anne's Game"  
    },  
    "period": "P1M",  
    "storefront": "USA",  
    "items": [  
        {  
            "SKU": "ANNES_GOLD_TIER_1M",  
            "displayName": "Gold Tier",  
            "description": "Access to Anne's Game Stream",  
            "price": 7990  
        }  
    ]}
```

}

## Example: subscription with multiple items and an offer

Request

```
{  
    "operation": "CREATE_SUBSCRIPTION",  
    "version": "1",  
    "requestInfo": {  
        "requestReferenceId": "74ad2401-488d-4e1a-9c9d-80cdf0efed67"  
    },  
    "currency": "USD",  
    "taxCode": "C003-00-1",  
    "descriptors": {  
        "displayName": "Streaming Pass",  
        "description": "Streaming pass with multiple items"  
    },  
    "period": "P1M",  
    "storefront": "USA",  
    "items": [  
        {  
            "SKU": "LIVE_SPORTS",  
            "displayName": "Live Sports",  
            "description": "Streaming for sports events",  
            "price": 40000  
        },  
        {  
            "SKU": "SATURDAY_MORNING_CARTOONS",  
            "displayName": "Saturday Morning Cartoons",  
            "description": "Streaming for animated series",  
            "price": 11000,  
            "offer": {  
                "price": 2990,  
                "period": "P1M",  
                "periodCount": 3,  
                "reason": "ACQUISITION"  
            }  
        }  
    ]  
}
```
