# macOS Release Notes

Learn about changes to the macOS SDK.

## Overview

Release notes provide details on API changes, known issues, fixes, workarounds, and deprecations for recent software releases.

## Bug Reporting

For issues not mentioned in release notes, send feedback through Feedback Assistant.

When writing your report, please include the full version number in the title and in the description. This looks like "14 (23A_xxxx_)." You can find the full version number in About this Mac > macOS (click on it for expanded version numbers). For more information, visit Bug Reporting.

## Topics

### macOS 26

📄 macOS Tahoe 26.2 Beta Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Tahoe 26.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Tahoe 26 Release Notes

Update your apps to use new features, and test your apps against API changes.

### macOS 15

📄 macOS Sequoia 15.6 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sequoia 15 Release Notes

Update your apps to use new features, and test your apps against API changes.

# macOS 14

📄 macOS Sonoma 14.6 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Sonoma 14 Release Notes

Update your apps to use new features, and test your apps against API changes.

# macOS 13

📄 macOS Ventura 13.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Ventura 13.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Ventura 13.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Ventura 13.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Ventura 13.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Ventura 13 Release Notes

Update your apps to use new features, and test your apps against API changes.

# macOS 12

📄 macOS Monterey 12.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Monterey 12.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Monterey 12.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Monterey 12.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Monterey 12.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Monterey 12.0.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

# macOS 11

📄 macOS Big Sur 11.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Big Sur 11.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Big Sur 11.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Big Sur 11.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Big Sur 11.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

☰ macOS Big Sur 11.0.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Big Sur 11.0.1 Universal Apps Release Notes

Update your apps to support Macs with Apple silicon.

📄 macOS Big Sur 11.0.1 iOS & iPadOS Apps on Mac Release Notes

Considerations for running iPhone and iPad apps on Macs with Apple silicon.

# macOS 10.15

📄 macOS Catalina 10.15.6 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15.1 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Catalina 10.15 Release Notes

Update your apps to use new features, and test your apps against API changes.

## macOS 10.14

📄 macOS Mojave 10.14.6 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Mojave 10.14.5 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Mojave 10.14.4 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Mojave 10.14.3 Release Notes

Update your apps to use new features, and test your apps against API changes.

📄 macOS Mojave 10.14.2 Release Notes

Update your apps to use new features, and test your apps against API changes.

☰ macOS Mojave 10.14 Release Notes

Update your apps to use new features, and test your apps against API changes.
